

# StarClass season 2021-2022

## **Provisional Corona measures for skaters dd 04-04-2021**

Check before departure from home if you are allowed to travel to the country of the competition and if you are free of the Corona virus.

Check regulations about travel, vaccination, testing and quarantine.

In the country of the competition additional local rules can be obligated.

In general everybody has to wear a face mask in all Shops, at Gas Stations, Restaurants (until you sit at your table), Public buildings, Public Transport and also the Ice rink.

In Open air people must stay at a distance of each other of 1,5 meter. If the 1,5 meter is not possible in groups a face mask must be worn.

Sitting at a table together is only allowed for a family or household living together in the same building, hotel, camper or camping.

Sitting in a restaurant or at a terrace at a table and need to go to the toilet, you have to put your face mask on again until you are back at your own table.

In the Ice rink one way corridors have been made for all people who are going to skate on the ice. When you enter the building you have to wear your face mask. at the door of the Ice rink you sterilize your hands and then you are allowed to take off your face mask.

Skaters go at the appointed side on the ice and bring their clothes and blade guards to the other side. After the training or race skaters leave the Ice on that other side and follow the one way routing to leave the building through a separate exit!

While leaving the building through the separate exit skaters have to wear their face mask again until back outside into the Open air. In Open air people must stay at a distance of each other of 1,5 meter. If the 1,5 meter is not possible in groups a face mask must be worn.

## **Reporting Procedure**

Every competition has an appointed Corona coordinator of which the name and mobile number will be published.

In all cases of sickness or illness, questions about Corona or requests for a test ALWAYS contact the Corona coordinator of the competition first and immediately!

Do not go to or into the Ice rink; stay in your hotel room. The Corona coordinator will advise you about the next steps or making an appointment for a test.

## **Corona Coordinator of the competition**

Mr or Mrs:        xxxxxxxx xxxxxxxxxxxxxxxxxxxx

Mobile: xx-xxxx-xxxxxx
